

Dear Community Partner and Business Owner:

Columbine High School Band Boosters is preparing to host a Gift Basket Raffle fundraiser event. **By donating your exceptional products and/or services, you are afforded the opportunity for your business to be involved in Columbine community as well as for you to directly connect with a great potential customer base.**

The gift basket raffle is scheduled for April 19th at our instrumental music concert

The proceeds from these raffles will primarily help Columbine students offset the costs of their Spring 2019 Disney Orlando trip, an opportunity for Columbine students to perform publicly and also to experience a professional recording session. This community booster program currently supports and works with over 100 instrumental students in marching band, string orchestras, concert bands, jazz band, and percussion ensemble, and over 75 vocal students in mixed choir, concert choir, men's and women's ensembles, and the Columbine Blue show choir in energizing and entertaining music programs.

If you are wondering "Why these programs and these kids?", then ask yourself, "Why not?" **Music students are known to be some of the most successful adults and at Columbine a majority of our music students go on to college.** These groups of students never shy away from hard work and put in long hours starting in the summer to master the physical, instrumental, and vocal discipline necessary to perform and compete with confidence.

Without the support of the community and Music Boosters, there would be no marching band at Columbine High School and little or no representation at local and regional competitions. Columbine High School has always been a great supporter of these programs, but have limited funds available for music programs. **Mr. Phillip Inzerillo, instrumental music director, and Mr. Greg Marsh, vocal music director, are personally committed to creating programs that exclude no students and serve to be fun and challenging programs.** We are very excited about the leadership, community, and entertainment opportunities our programs foster.

All of the students, teachers, and parents of Columbine High School Music Boosters send their deepest appreciation to you for your consideration and the generosity that make our community a better place for everyone.

Thank you for your partnership and community support,

The Columbine High School Music Boosters Board

*Brian Truax, Trisha Major, Melissa Dancy, Jeanette Jenks, Steve Layman, Sarah Martin,
Aaron Hunt, Phillip Inzerillo, and Greg Marsh*

Should you decide to contribute to the gift basket raffle, please contact us at the email below to coordinate your donation. Please contact us no later than April 12, 2018 to ensure that your business information can be included in our Spring program flyer.
